God is a Gift

A disciple, when fully trained, will be like his master, Jesus. Our group is committed to joining God in what He is doing in our communities. We meet together to read and be changed by God's Word, believing that God's people are called to a life of extraordinary mission -- a life lived in God's redemptive story in every moment. Come be a part as we read God's Word together prayerfully and talk about the call that it always places on our lives. This class is held in a discussion format.
